FENIX PROPERTY SOLUTIONS

SEASONAL CLEAN

INTRODUCTION

Many people like a deep clean of their home at a particular time of the year, sometimes it's associated with a cultural or religious belief, other times it's just because it's great to have a fresh, clean home. Call it whatever you like, Fenix offer a amazing Seasonal Clean to suit your needs and your budget.

We are proud of our track record in Seasonal Cleaning and we are here to provide and guide you towards the best cleaning service for your critically important home clean.

HOW IT WORKS

There are four easy steps:

Step One

Contact Fenix by email to sales@fenixpropertysolutions.com.au and let us know, very briefly, what you would like to achieve.

Step Two

Shortly thereafter, we will email back to you a small but important set of questions relating to the Seasonal Cleaning of your home, and, your preferred dates.

Step Three

After receiving the response to your questionnaire, we will, usually in the same day, respond to you with a quote including a number of optional services. You can select/deselect any service as you choose and see the actual cost vary in real time. Once you've settled on your requirements, to lock it in, you simply approve the quote online.

Step Four

Once approved, we will schedule your job and ask for payment of a 50% deposit to secure the booking. We will be able to take the balance of payment on the day after the cleaning has been completed. From then, the rest is up to us.
